github.com/aditya-0801 | Gwalior, Madhya Pradesh

SUMMARY

AI and Machine Learning undergraduate with experience in data analytics, machine learning, data visualization, and Generative AI. Skilled in Python, Flask, Scikit-learn, and data analysis

EXPERIENCE

Siemens Data Science Master Intern

Siemens

04/2026 - 06/2026

- Worked on data science workflows and analytics projects

Google for Developers AIML Intern

Google for Developers

01/2026 - 03/2026

- Worked on AI and Machine Learning projects

Data Analyst Intern

Cognifyz Technologies

11/2025 - 12/2025

- Performed data analysis and visualization tasks

Data Analyst Intern

PN Infosys

03/2025 - 09/2025

- Worked on exploratory data analysis and dashboards

EDUCATION

B.Tech in Artificial Intelligence and Machine Learning

ITM, Gwalior

2024 - 2028

CGPA

8.11 / 10.00

SKILLS

Python	C++	SQL	HTML	CSS	JavaScript
Pandas	NumPy	Matplotlib	Seaborn		
Scikit-learn	Flask	Power BI	Git	GitHub	
Generative AI	Data Structures and Algorithms				

PROJECTS

DataMind AI

AI-powered AutoML and data analytics platform

- Implemented 9 machine learning models
- Integrated Gemini AI and PDF reporting

ML Insight Engine

Smart data analysis system with visualizations and reports

Student Result Predictor

Flask application using Logistic Regression

Car Price Prediction

Netflix Data Analysis

Super Store Sales Dashboard

CERTIFICATIONS

Oracle Cloud Infrastructure AI Foundations Associate

Oracle

Oracle Data Science Professional

Oracle

Oracle Generative AI Professional

Oracle

IBM Ethical Considerations for Generative AI

IBM

IIT Bombay Python Certification

IIT Bombay

Tata GenAI Powered Data Analytics Job Simulation

Tata

50 DAYS LEETCODE

Which institution issued the certificate and when?
